

IMI Cornelius® is an Energy Star® partner and some of our Nordic™ cubed ice machine models have earned the Energy Star rating. New purchases of these models may qualify for utility-sponsored incentive programs. The map below highlights states where these programs can be found. They are subject to change or can be discontinued without prior notice, therefore, **please contact your local utility before purchasing equipment** to ensure incentives are still available. For further information on Energy Star and Energy Star Commercial Food Service Incentive Programs, please visit energystar.gov.

Nordic Energy Star Qualified Ice Machines

Air Cooled (IMH) Models:

Nordic CCM0430AF1
Nordic CCM0430AH1
Nordic CCM0522AF1
Nordic CCM0522AH1
Nordic CCM1448AF21
Nordic CCM1448AF21
Nordic CCM1448AF31
Nordic CCM1448AH31

Remote Cooled (RCU) Models:

Nordic CCM0630RF2 with RC06002
Nordic CCM0630RH2 with RC06002
Nordic CCM0830RF21 with RC08002
Nordic CCM0830RH21 with RC08002
Nordic CCM1530RF21 with RC14002C
Nordic CCM1530RH21 with RC14002C

Self-contained (SCU) Models:

Nordic CCU0150AF11
Nordic CCU0150AH11
Nordic CCU0220AF11
Nordic CCU0220AH11
Nordic CCU0300AF11
Nordic CCU0300AH11
