

PROFILE PLUS™ 150BC

UNDER COUNTER POST-MIX ICE DRINK DISPENSER

FEATURES

NEW! Improved mounting of motor eliminates premature seal wear and leaking

NEW! Separate upper drip tray drain line prevents spills/overflow underneath unit and cabinet

Ice capacity - 150 lb ice capacity

Variety - Available with 8 UFB-1™ self serve lever or push button post-mix dispensing valves

Small footprint - Easy countertop drop-in for minimum space consumption and maximum visibility

Customizable - Capable of dispensing various cube sizes

Convenient - Waist level manual ice fill from front or rear with left or right hand ice dispense option

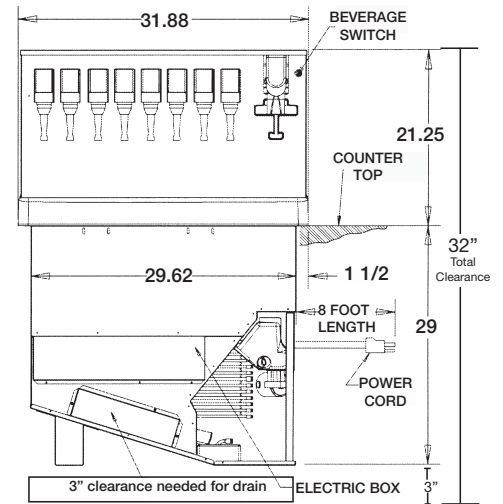

Adjustable - Ice dispense rate, from 2-5 oz/sec

Optimal beverage cooling - Patented cold plate design

Serviceability - Ice dispense system can be serviced and cleaned from top and front of dispenser

Durability - One piece Durabide™ ABS thermoformed ice storage provides durability and ensures all ice in hopper is dispensable
