

# Quest Elite 4000

## 4-Flavor Post-Mix Dispenser

Specification Sheet

## Features

### Wide Product and Ratio Capability

Dispense juices and lemonades with pulp, teas, plus cold coffees within a 3:1 to 8:1 ratio

### Patented Mixing System

Consistent quality drinks with no stratification, slugging, or dripping

### Frost-Free Refrigeration

Safely accommodates frozen, ambient, or aseptic concentrate BIBs and cartridges

### Large Ice Bank

14 to 16 pound cooling capacity ensures cold drinks during peak demand

### Optional Touchless Dispense Kit

Hygienic, touch-free dispense conversion kit available

### Innovative Magnetic Latch

Ensures precise alignment, preventing doors from being left ajar and maintaining consistent temperatures

### LED Illuminated Graphics

Attract attention while reducing energy and maintenance costs with the eye-catching backlit merchandiser

### Flexible Merchandiser

Choose from a single or multi-panel display with a variety of included graphics

### 'Sold Out' Indicator

Prevent missed sales with product-out alerts

### Easy to Service

Modular components and accessible cabinet design for ease of service

### Narrow Footprint

Minimized size to maximize counter space

### Enhanced Door Gasket

Engineered for superior sealing to lock in cool air and block out heat, ensuring optimal temperature control
