

VIPER™ LOW OVERRUN FROZEN

4 FLAVOR FROZEN DISPENSER

FEATURES

Building on nearly 50 years of experience, Viper Elite raises the bar in frozen with superior engineering and quality.

Enhanced Reliability – Increase uptime with the most reliable FCB dispenser on the market

Syrup Flexibility – Pressure transducers ensure you'll be able to perform as syrups change in the future

Expand Drink Portfolios – Individual barrel flexibility (FCB/FUB) and profile settings. Champions low overrun, slush product consistency

Intelligent Defrost™ – Patented adaptive defrost keeps you up and running during peak demand so you never miss a sale

Information at your fingertips - quickly access manuals and easy-to-follow staff and service videos via QR code

C3 Technology – Cooling, carbonation, and controls provide unmatched drink profile consistency, builds repeat sales and minimizes syrup usage

Programmable sleep mode – Conserves energy in off hours

Technician designed – Reduced maintenance and service times

MODELS

PART NUMBER	DESCRIPTION
