Cornelius,

# **Creating Syrup Profiles**

a. Access the service UI

Tap each corner of the video screen starting in the upper right corner. Continue to each corner in a counterclockwise direction, in the form of a "C". The screen will flash white when you touch corners. Wait for the video to reappear before proceeding to the next touch point.

b. Enter the correct Access code:3333

c. Access the "Unit Setup" screen.

d. Access the "Syrup Edit" screen.

e. Select the 🕒 icon to add a new syrup. Do not select this more than once per syrup.
