

Quest Elite 2000W

2-Flavor Post-Mix Dispenser with Water Button

Specification Sheet

Features

Dedicated Water Line

Dispense water without the need to remove a primary product

Enhanced Door Gasket

Engineered for superior sealing to lock in cool air and block out heat, ensuring optimal temperature control

Innovative Magnetic Latch

Ensures precise alignment, preventing doors from being left ajar and maintaining consistent temperatures

Wide Product/Ratio Capability

Dispense juices and lemonades with pulp, teas, plus cold coffees within a 3:1 to 8:1 ratio

Patented Mixing System

Consistent quality drinks with no stratification, slugging, or dripping

Frost-free Refrigeration

Safely accommodate frozen, ambient, or aseptic concentrate BIBs and cartridges

Large Ice Bank

Six to eight-pound cooling capacity ensures cold drinks during peak demand

Optional Touchless Dispense Kit

Hygienic, touch-free dispense conversion kit available

LED Illuminated Graphic

Attract attention while reducing energy and maintenance cost with the eye-catching backlit merchandiser

'Sold Out' Indicator

Prevent missed sales with product-out alerts
