

## Quest Elite 2000 2-Flavor Post-Mix Dispenser

*Selling Guide*

# Leverage the growth of premium beverages and increase profitability.

Invite customers to a refreshing, cold premium beverage — blended perfectly using the patented Quest Elite mixing system. Each post-mix dispensed drink is a precise combination of concentrate and water that helps minimize operating costs and maximizes profits.

- Patented post-mix technology delivers premium quality drinks
- Accommodates frozen, ambient, bag-in-box, or aseptic concentrates with ratios 3:1 to 8:1
- Minimized footprint conserves counter space
- Easy-to-load refrigerated cabinet with front-access
- Choose from a single or multi-panel LED-backlit merchandiser
- Innovative magnetic latch ensures precise alignment, preventing doors from being left ajar and maintaining consistent temperatures
- Enhanced door gasket is engineered for superior sealing that locks in cool air and blocks out heat, ensuring optimal temperature control

## 2-Flavor Post-Mix Dispenser

*Selling Guide*

**Serve full-flavor beverages at a fraction of the cost** compared to ready-to-drink (RTD). The Quest Elite post-mix dispenser can **increase profit margins up to 5x** compared to RTD. Leverage the growth of premium beverages with the profitable Quest Elite.

### Wide Range Capabilities

Accommodates a variety of post-mix products including juice and lemonade with pulp, tea, and even cold coffee within a 3:1 to 8:1 ratio.

### Meet Peak Demands

Safely and reliably serve **thirsty crowds** during peak periods. The Quest Elite can produce 100 refreshingly cold 5oz drinks at  $\leq 41^{\circ}\text{F}$ .

\*Based on 4 drinks per minute.

### Patented Mixing System

Consistent quality drinks with **no stratification, slugging, or dripping** thanks to the patented technology of Quest Elite.

### Illuminated Graphics

Enhance selling power with a single or multi-panel LED-backlit merchandiser to **promote a variety of drink selections**.

### Frost-Free Chiller

Quest Elite's **insulated cabinet safely holds two 3.5L BIBs** or cartridges in frozen, chilled, ambient, or aseptic format.

### Dispensing Options

Choose from three dispensing options:  
1) **portion-control** for pre-programmed sizes,  
2) **self-serve push-to-dispense**, or  
3) **touchless dispense**.
